Judge A. Jay Cristol  
United States Bankruptcy Court  
Room 1412, Federal Building  
51 S. W. First Avenue  
Miami, Florida 33130

Dear Judge Cristol:

Thank you for your letter of May 2. Here are my comments on the particular questions you asked about in your letter.

1. Perhaps my memory of the actual time of the attack may be faulty. I do remember that the first message from the Israelis came to us while we were meeting in the Situation Room..
2. It is okay to refer to that room as the Situation Room.
3. You are free to add additional names and delete the name of Helms.
4. I did mean to include the word Egyptian; in the circumstances even an attack on an Egyptian ship would have been a very serious thing.

I hope these comments will be helpful to you.

Sincerely,

Dean Rusk
